NARRATIVE

On 03/30/2022 at approximately 2240 hours, I made contact with [redacted] and his mother, [redacted] in the lobby of the police department. [redacted] said that he was at work at Little Caesar's, located at 1725 W Owen K Garriott Rd. He said he woman went to the drive thru and made an order for 2 pizzas and 1 crazy bread. [redacted] told the woman the store was out of crazy bread, which angered the woman. The woman yelled *"Are you serious!"* [redacted] told her again that they were out of crazy bread but if she would pull up to the window, he could get her the 2 pizzas. The woman pulled up to the window and asked [redacted] *"Do you want a diploma?"* [redacted] told her *"Yes."* The woman said *"Listen here Nigger!"* [redacted] said *"What?"* The woman said *"You heard me you fucking Nigger!"* and then asked [redacted] *"Did that hurt you?"* [redacted] replied *"No."* The woman opened her vehicle door, stepped up to the window and slapped [redacted] two times across the right side of his face. [redacted] turned around told his manager, [redacted] that he needed to deal with the woman and explained to him what happened. [redacted] went outside and asked the woman what happened. He then told her that he was told what she did. The woman started laughing and told him *"I harassed him like I always do."* [redacted] told her that what she did was not okay and the woman continued laughing and drove away.

[redacted] was able to record video of the incident from Little Caesar's on his phone. I watched the video and saw an older, navy blue in color in the drive thru at the window. I saw an older female get out of the van, walk up to the window and hit [redacted] in what appears to be his face. [redacted] said he did not get the license plate. [redacted] wrote out a written statement with the assistance of his mother.

[redacted] said there were 3 other people working in the store but he did not know their last names or phone numbers. After I was done speaking with [redacted] the store was closed. I have sent Sara Kelley an email, requesting that she try and obtain any video with any other angles from the store. I have sent a department email with the video, to try and identify the woman and the vehicle. I have sent an email to Cass requesting he post the video on social media, to try and identify the woman and vehicle. On my next duty day, I will try and gather more information from the employees at Little Caesar's
